## Remember those who served

### Missing Man Table:

The Table is round, to show our everlasting concern for those that were lost.

The single red rose reminds us of the lives of these American Veterans and their friends and loved ones who keep the faith while seeking answers.

The red ribbon symbolizes our continued determination to account for those still missing.

A slice of lemon reminds us of their bitter fate.

A pinch of salt symbolizes the tears of our Missing and Fallen as well as their Families.

The Bible represents the strength gained through faith to sustain us .  
The glass is inverted, symbolizing our Fallen's inability to toast with us.  
The chair is empty, they will not be able to join us.
